Subject: Notice of File Closure and Release of Reclamation Surety, Surety Bond Number
Westlake Materials LLC, Westlake Pit, S/049/0090, Utah County,
Utah

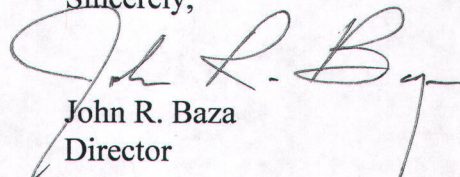

Dear Sir or Madame:

On March 28, 2016, the Division of Oil, Gas and Mining (Division) received notice that surety bond number _____ in the amount of \$55,100.00 was being cancelled. This bond was being held to ensure reclamation of the Westlake Materials Pit mine.

The Division inspected the mine site on May 17, 2016, and determined that no mining occurred, so there is no reclamation liability. The Notice of Intention to Conduct Mining Operations is being closed and the file retired, and the Division intends to take no further action regarding the surety bond. The Division is returning the original surety documents.

Please contact April Abate at 801-538-5214 or Paul Baker at 801-538-5261 if you have any questions or concerns regarding this action. Thank you for your cooperation.

Sincerely,

John R. Baza
Director
